

Idaho Average Score vs. the Other States—M/F Students NAEP 2017 Reading, Grade 4

The National Assessment of Educational Progress (NAEP) reading assessment used multiple-choice and constructed-response items to examine student knowledge and skills using grade-appropriate literary and informational texts. Scores range from zero (0) to 500, where 208 is *Basic* (meets grade-level expectations), 238 is *Proficient* (higher than grade level performance), and 268 is *Advanced*. NAEP does not sample students enrolled in virtual charter schools.

When compared with the NAEP 2017 reading average scores of their counterparts in the other states, **Idaho fourth grade females** scored *higher than eleven (11) states, not statistically different from thirty-one (31) states, and lower than seven (7) states*, and **Idaho fourth grade males** scored *higher than seventeen (17), not statistically different from twenty-six (26) states, and lower than six (6) states*.

Note: Comparisons based on statistical tests (.05 level) using unrounded numbers that considered the magnitude of difference and standard errors. **Source:** U.S. Department of Education, Institute of Education Sciences, National Center for Education Statistics, National Assessment of Educational Progress (NAEP), 2017 Reading Assessment, Grade 4.
