

Student Demographic Groups: Idaho vs. Nation

NAEP 2013 State Grade 12 Pilot: Reading

May 7, 2014

The National Assessment of Educational Progress (NAEP) reading assessment used multiple-choice and constructed-response items to examine student knowledge and skills using grade-appropriate literary and informational texts. Scores range from zero (0) to 500, where 265 is *Basic* (i.e., proficient in reading, or meets grade 12 expectations), 302 is *Proficient*, and 346 is *Advanced*.

Idaho vs. National Student Demographic Groups NAEP 2013 Reading, Grade 12

► Four groups of Idaho seniors had an average score on the NAEP 2013 reading test that was *higher* than their national peers: all students, male students, female students, and students who qualified for free or reduced price meals.

► No groups of Idaho seniors had an average score on the NAEP 2013 reading test that was *lower* than their national peers.

► Four groups of Idaho seniors had an average score on the NAEP 2013 reading test that was *not significantly different* from their national peers: White students, Hispanic students, students who did not qualify for free or reduced price meals, and students with disabilities who had an IEP (504 plans not included).

Note: Comparisons based on statistical tests (.05 level) using unrounded numbers that considered the magnitude of difference and standard errors.
