

## NAEP 2013 Reading and Mathematics National Percentile Ranks, Idaho Grade 12

May 7, 2014

The *reading test* used multiple-choice and constructed-response items to examine student knowledge and skills in using grade-appropriate literary and informational texts. The *mathematics test* used multiple-choice and constructed-response items to look at student knowledge and skills in number properties and operations, measurement and geometry, data analysis and statistics, and algebra.

### NAEP 2013 Reading and Mathematics Idaho, All Students, Grade 12

**Note:** A national percentile rank of 55, for example, means that the average student in Idaho scored higher than 55 percent of peers in the nation's public schools.

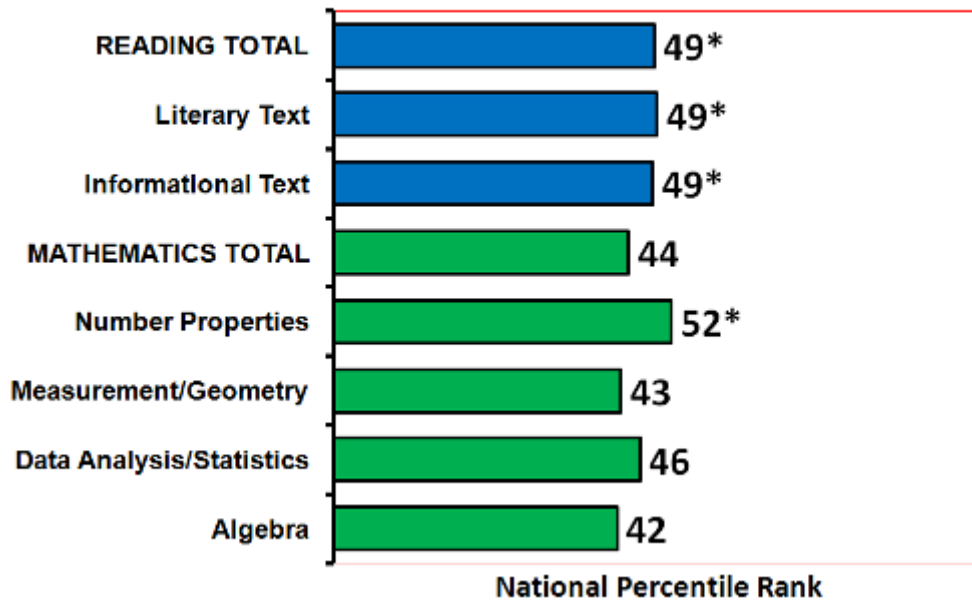

► On the NAEP 2013 reading test, the best performance for Idaho's seniors was a NPR = 58 on the reading informational text strand.

► On the NAEP 2013 mathematics test, the best performance for Idaho's seniors was a NPR = 55 on the measurement and geometry strand.

**NAEP 2013 NPR results for Idaho's Hispanic Seniors and Idaho's White Seniors on the next page.**
